

Introducing CRS226-24G-2S+IN - the 24-port switch with 2 x 10G SFP+ support

The Cloud Router Switch 226 is the new member of our Smart Switch series and adds two SFP+ ports to our popular model. It combines the best features of a fully functional router and a Layer 3 switch and is powered by the familiar RouterOS.

Full wire speed switching, with support for Internet gateway connections to SFP, SFP+, and gigabit RJ-45.

\$289

24V 0.8A power adapter included

- 24 x Gigabit Ethernet Ports
- 2 x SFP+ ports for 10G connectivity
- Fully manageable L3 switch, full wire speed switching
- Configure ports as switch or for routing
- LCD touchscreen
- RJ45 serial port
- Reset switch; beeper; voltage and temperature monitoring
- RouterOS, L5 license

Product code: **CRS226-24G-2S+IN**

Compatible with

S+DA0003

SFP+ 3m direct attach cable

S-3553LC20D

Two SFP (1.25G) module kit, 20Km, single mode

S+DA0001

SFP+ 1m direct attach cable

S-85DLC05D

SFP (1.25G) module, 550m, Multi Mode

S+31DLC10D

SFP+ (10Gbit) module, Long range 10km, Single Mode

S-31DLC20D

SFP (1.25G) module, 20KM, Single Mode

S+85DLC03D

SFP+ (10Gbit), 300m, Multi Mode

New Product catalog!

We have updated our product catalog brochure with more accurate information, and of course, our latest products.

MUMs in ASIA

Just like every year, MikroTik is coming to Asia. See our latest products, meet MikroTik staff in person, and learn the latest in networking technology.

The MikroTik User Meeting (MUM) is a conference on MikroTik RouterOS software and RouterBoard hardware. Ask questions, listen to presentations, talk with specialists and see interesting technology demos by MikroTik and the users themselves - all here, at the MUM.

Register now, FREE ONLINE REGISTRATION without lunch and RouterOS license, or PAID entry that includes T-shirt, Lunch and a RouterOS License.

This is your chance to also show YOUR experience and tell others about your company. Sign up as a Visitor, Presenter, or for a Technology demo table space (email us).

There is no minimum requirement for attending, it doesn't matter if you are an experienced MikroTik user, or just heard about us - people from all around the world are coming to the MUM. See you there!
